TUBULAR HEATERS

1 YEAR WARRANTY

NEW MODEL

Energy efficient tubular heaters provide even heat distribution to a small area, offering localised heat or frost protection during the colder months. The range includes standard & thermostatic options with simple wall or floor mounting. Includes durable brackets.

KEY FEATURES

ENERGY EFFICIENT

CE CERTIFIED

RoHS APPROVED

Standard Tubular Heaters are IP55 rated and are available in the following sizes:

Part No: DXTH01	Power: 45W	Size: 310x85x98mm
Part No: DXTH02	Power: 80W	Size: 610x85x98mm
Part No: DXTH03	Power: 135W	Size: 910x85x98mm
Part No: DXTH04	Power: 180W	Size: 1200x85x98mm

Thermostatic Tubular Heaters are IP44 rated and are available in the following sizes:

Part No: DXTH01T	Power: 60W	Size: 364x56x75mm
Part No: DXTH02T	Power: 120W	Size: 667x56x75mm
Part No: DXTH03T	Power: 180W	Size: 959x56x75mm
Part No: DXTH04T	Power: 240W	Size: 1276x56x75mm

Tubular Heater Guards available
300mm, 600mm, 900mm & 1200mm
